1. Five Little Fingers

One little finger, one little finger
One little finger, tap, tap, tap
Point to the ceiling, point to the floor and lay it in your lap

Two little fingers, two little fingers
Two little fingers, tap, tap, tap
Point to the ceiling, point to the floor and lay them in your lap
Three little fingers, three little fingers
Three little fingers, tap, tap, tap
Point to the ceiling, point to the floor and lay them in your lap
Four little fingers, four little fingers
Four little fingers, tap, tap, tap
Point to the ceiling, point to the floor and lay them in your lap
Five little fingers, five little fingers
Five little fingers, tap, tap, tap
Point to the ceiling, point to the floor and hide them behind your back

9. Easy Peasy Alphabet

Reading books is lots of fun
There are different tales for everyone
Once you've learned you won't forget
The easy peasy alphabet
chorus:
ABCDE-FGHI J-KLMNO-PQRST-UVWXYZ

Twenty-six letters on a desk
All jumbled up, oh! What a mess.
Sort them out just like this song
Then you'll remember every one.
